20 It is hereby stipulated and agreed between defendant David M. Fish, and his counsel Manuel
21 Campos, and the United States as follows:

22 This matter was set for a status conference on November 14, 2005 at 9:00 a.m. In this
23 copyright infringement case, the defense needs more time to prepare, review discovery
24 previously provided, including a substantial amount of digital evidence, and research legal and
25 sentencing issues. On July 21, 2005, defendant Fish was arraigned on a nine-count indictment,
26 charging as follows: Count One: Conspiracy to Commit Criminal Copyright Infringement,
27 Infringement By Electronic Means, Infringement By Distributing A Commercial Distribution
28 Work, Traffic in Devices to Circumvent a Technological Measure that Protects a Copyright

11 violation of 17 U.S.C. §§ 506(b) and 509(a).

12 On or about October 17, 2005, defense counsel Manuel Campos was substituted as counsel
13 for defendant Fish. Mr. Campos recently received the discovery from prior defense counsel and
14 needs more time to review it. The discovery includes a substantial amount of digital evidence.
15 Under these circumstances, the parties agree that further time is necessary for Mr. Campos to
16 complete his review of the discovery and review legal issues with his client. Among other
17 things, Mr. Campos continues to review the voluminous discovery in this case. Additionally, Mr.
18 Campos needs further time to explore a possible resolution in this district under Fed. R. Crim. P.
19 20 based on a similar type of charge. In conducting this review, Mr. Campos is reviewing
20 discovery from another district. It is anticipated that the instant and Rule 20 case may be
21 resolved together in this district. Time will also be necessary to transfer the case file from the
22 other district to the Northern District of California.

23 The parties stipulate and move the Court to exclude time under the Speedy Trial Act from the
24 December 12, 2005, until February 13, 2006, because the parties believe that the ends of justice
25 served by the granting of such a continuance outweigh the best interests of the public and the
26 defendant in a speedy trial, particularly since reasonable time is needed for the defense to prepare
27 for pretrial and trial matters, pursuant to 18 U.S.C. §§ 3161(h)(8)(A), 3161(h)(8)(B)(ii). The
28 parties further stipulate that time may be excluded for reasonable time for defense

1 preparation, since the failure to exclude time would deny counsel for the defendant reasonable
2 time necessary for effective preparation, taking into account the exercise of due diligence,
3 pursuant to 18 U.S.C. §§ 3161(h)(8)(A), 3161(h)(8)(B)(iv). Complicating a review of the
4 discovery and issues in this case is the fact that the defendant resides on the east coast. Further
5 time will allow for necessary discussions on the issues in this case.

ORDER

Based upon the foregoing Stipulation and good cause appearing therefor,

IT IS HEREBY ORDERED that the status conference set for December 12, 2005 at 9:00 a.m. for defendant Fish shall be continued to February 13, 2006 at 9:00 a.m.

IT IS FURTHER ORDERED that the time between December 12, 2005 and January 30, 2006 shall be excluded from the computation period within which the trial must commence, for the reasons and based upon the statutory provisions set forth by the parties in this Stipulation, including that time is needed for effective defense preparation.. The Court finds that the ends of justice outweigh the interests of the public and the parties in a speedier trial under 18 U.S.C. §§ 3161(h)(8)(A), 3161(h)(8)(B)(ii) (complexity), 3161(h)(8)(B)(iv) (reasonable time necessary for effective preparation taking into account the exercise of due diligence).
